

HR & Recruiting Manager

Part/Full-time (d/w/m)

We envision a world of shared prosperity

We accelerate the growth and adoption of open, decentralized blockchain networks to support our vision of a fairer, more transparent and decentralized world #sharedProsperity. We're a team of 15+ developers, investors and blockchain enthusiasts who's shaping the decentralized future.

Our field of activities range from providing staking services and investing in digital assets to the development of comprehensive tools & applications based on public blockchains (e.g. Thorchain, Terra, Fantom, etc.)

YOUR RESPONSIBILITIES

As the first fully dedicated Human Resources & Recruiting Manager on our team, you will be responsible for:

- Recruit, interview and place new hires from all around the world
- Apply & improve [block42's Growth Framework](#) ("Career Ladder")
- Organize training for new and existing hires
- Assess team & individual satisfaction and set actions to improve it
- Ensure compliance regarding employment laws
- Create a smooth on-/off-boarding process

WHAT WE EXPECT

- Familiarity with technical roles and terms
- Professional experience of at least 2 years in the field of HR management
- Knowledge of employment laws
- Fluent German and English skills in spoken and written form
- Openness to align with our [company values](#) and the blockchain/crypto space

WHAT WE OFFER

We offer you the possibility of fully flexible working hours. The same applies to your working place. You can join our office in Graz/Austria, but it's also perfectly fine to work 100% remotely, as some of our colleagues are already doing so. We'll give you room to implement your own ideas and actively shape block42's future.

The position is available Part or Full-time (30+ h/week). By law, the minimum yearly gross salary for this position is 34.500 EUR, based on full-time employment in Austria including health care and pension insurance. Your actual compensation is probably higher and is determined by your qualification, the bitcoin price(*) and your experience. In addition, an Employment Stock Ownership Plan (ESOP) will let you participate in the company's future success.

() just kidding! No worries, we will pay as agreed. But if you want, you can opt-in to get parts of your compensation in crypto.*
