

Internship Sales (f/m/d)

Vollzeit, Dienstort Graz

Job description

Welcome to Nuki. A place where our employees have priority, where this week's ideas develop into next week's new features, where decisions are made quickly, and where mistakes are used as an opportunity for further development. Innovation is more than just a trend; it is part of our DNA. We build on it because if we have the choice between comfortable and exciting, we always choose the latter.

Are you eager to gain diverse experiences in sales management and are motivated to proactively contribute and develop professionally? Perfect, that's what we're looking for if you want to contribute your valuable ideas and become part of our team.

Your role

- You support the sales team in exciting and international projects in the IoT environment.
- You support in the achievement of defined KPIs and sales targets.
- You will be involved in market and competitor analyses as well as in monitoring market developments and in the (further) development of international sales strategies.

Your qualification

- You are currently studying for a bachelor's or master's degree in sales, business development and/or marketing.
- Ideally, you have already gained some practical work experience.
- You are characterized by your responsible and careful way of working.
- You have a high willingness to learn and an interest in varied activities in the field of consumer electronics (smart home).
- You have good German & English skills, other languages (French, Spanish, Dutch or Italian) are an advantage.

WHY US

This internship is right for you if you want to actively contribute to our company. As a full-fledged member of our team, you will have the opportunity to gain experience in everyday work, broaden your horizons and expand your professional expertise. The support of personal mentors, ongoing feedback sessions and benefits in the daily work routine are a matter of course for us.

This internship should last at least 4 months and can take up to 6 months. A salary of € 1,056.00 gross per month for 38.5 hours/week is considered. We look forward to receiving your meaningful application including a possible start date via the application form: <https://nuki.io/en/apply/1119674/internship-sales-f-m-d/?pc=133400>

ABOUT US

We at Nuki are breaking new ground and are working on a completely keyless future. As one of the fastest growing companies in Austria, we offer high-quality products, a dynamic team of 120 employees and more than 450,000 satisfied customers. We are pioneers in the Smart Home sector and are looking for people like you who are not satisfied with the status quo and are willing to take on responsibility quickly. We look forward to getting to know you!
